## University Research has Proven that **JUMBO** is the Number One\* Annual Ryegrass!

For over ten years from Texas to Florida, JUMBO annual ryegrass has been consistently a top yielder with unparalleled disease resistance. JUMBO is the number one rated variety for resistance to Southern Blight, *Pythium* spp, *Fusarium* spp and Leaf Rust. JUMBO also exhibits excellent cold tolerance, vigorous growth habits and is suitable for mechanical harvesting (silage) as well as grazing. Choose JUMBO for quality and yield.

\*Based on the 2011 complex disease rating performed by the University of Florida.
