

PERSUASION TALL FESCUE

Festuca arundinacea

DESCRIPTION

IRT™ and improved turf qualities make Persuasion an excellent choice for all tall fescue turf applications. Ranked in the top 16% of the 2007-2010 Adelpia turf trials, Persuasion will provide added brown patch performance and drought and wear tolerance to high-quality sod, lawn, sports, and golf turf. It is ideal for the transition zone and any region of turf-type tall fescue adaptation and use. (University Recommended for the Transition Zone)

APPLICATIONS

Overseeding and establishment of home and commercial lawns, parks, schools, athletic fields, golf course roughs

GEOGRAPHICAL ADAPTATION

Cool-season and transition zones and irrigated arid regions where turf type tall fescue is adapted
